Tess Abbott

Born Marites Velilia in the Philippines, she graduated from high school at the age of 16. After convincing her parents she was ready for college, she earned her Bachelor of Science in Chemistry with a minor in Math from St Louis University in 1982. Then on to The University of Santo Tomas she earned a Masters in Biochemistry. Next, she fell in love and became engaged to an American which brought her to the United States in April of 1993. They got married six days after she arrived and her only son, D'Artagnan was born in June of 1994. In her free time, she loves to read fiction and paint. Her passion is dancing Hula professionally and volunteering for the Asian community. She is also a certified Event Planner. She was a Chemist for 27 years before coming to Harte Hanks in Feb. 2015. Her favorite quote is: "Chance favors the prepared mind." (Louis Pasteur)

PENNY WARS ENDS DEC. 11TH. Please bring pennies for our jar on the last day to be the most effective. Put other coins and bills in everyone else's to set them back to zero. There will be a variety of fundraisers going on to raise money. Keep your eyes and ears open. All proceeds go to benefit the Helping Hands Home for underprivileged children.

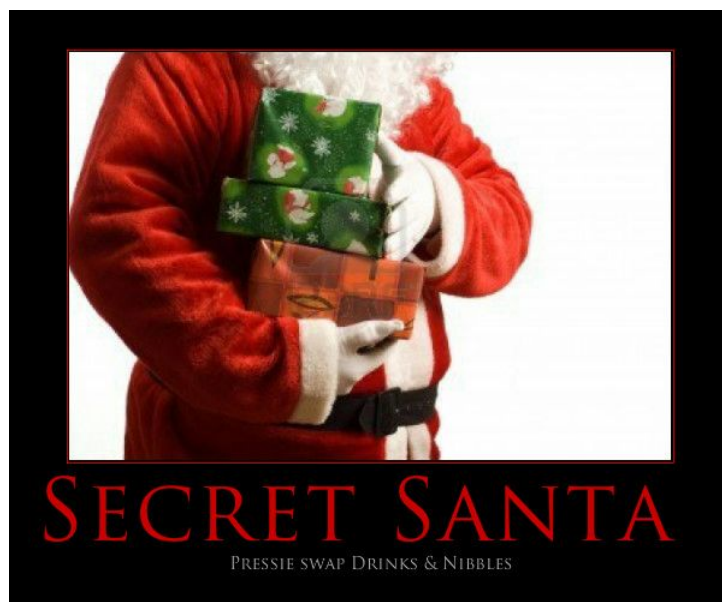

SPONSORED CHILD

We sponsored Marquavion, an 8 yr old boy, from the Helping Hands Home. We've been allotted \$150 from Harte Hanks to spend on his wish list.

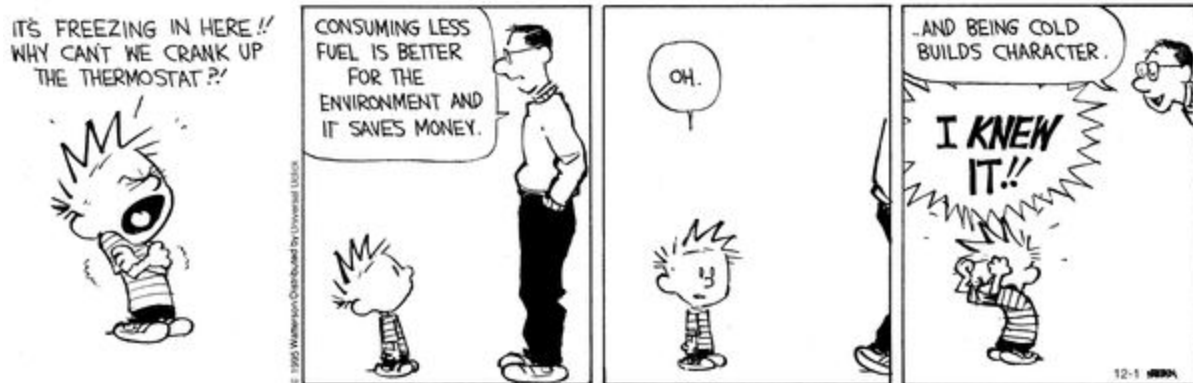

Our team Christmas party is Dec. 15th. Please bring your Secret Santa gift. Remember to keep the cost at \$10. Also, put on your apron and bake your favorite cookie recipe or other treat that will easily be divided into the Christmas tins that Robert is providing. Be sure to bring a copy of the recipe to share. Jessica said she can tolerate pecans but NO other nuts please.
